

Office 365

Leverage the power of cloud with cost-effective, enterprise-class Microsoft Office productivity, email and collaboration solutions.

Bleuwire™ impliments, manages & supports your Office 365 solution

The biggest companies in the world with the most demanding requirements rely on Microsoft solutions for productivity, communications and sharing. Now, your business can also improve productivity, enhance communications and perfect collaboration with Microsoft Office 365. It's an enterprise-level solution at a price everyone can afford.

Office 365, implemented, managed and supported by Bleuwire™, integrates online Mac and PC versions of Microsoft's email and collaboration software with the familiar Microsoft Office in a cloud delivery model. The cloud service meets your needs for robust security, 24/7 reliability and user productivity. It's available to you at a month-to-month subscription price that's affordable.

▶ **Benefits**

▶ **Reduce Productivity Costs**

Bleuwire™ delivers Office 365 using the Cloud, which means that you lower business costs in every way. You lower capital cost by replacing expensive licenses with low-cost subscriptions. You also virtually eliminate daily support costs, because the hosted solution requires no maintenance or support on your part.

EMPOWER YOUR BUSINESS WITH:

Word, PowerPoint, Excel, and more – Fully-install applications to create professional documents that elevate the way you conduct business.

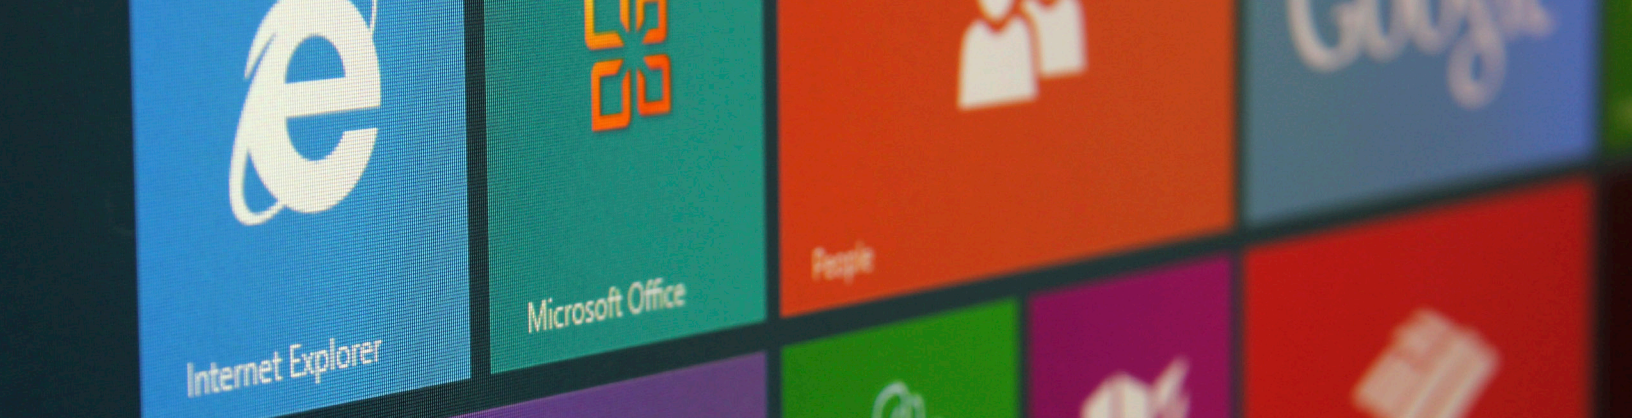

Communicate, share and collaborate using email, calendars, task manager, contact manager, note taking, journal and web browsing.

Store and share files in real-time for collaboration using various desktop and mobile devices.

Hold face-to-face meetings in HD and from mobile devices, easily sharing documents and attachments.

▶ Reliable Cost-Effective Service

Most companies take comfort in the freedom and peace of mind provided by trusting Bleuwire™ to completely manage and support Office 365. Some of our clients prefer to manage Office 365 on their own, relying on us as services are needed. Our flexible support offering allows clients to entrust us with what makes the most sense for their business and budget.

▶ Pick The Ideal Plan

Bleuwire™ supports all versions of Office 365, from the basic web-only access to the most complete versions that include advanced functionality. Best of all, you can mix and match plans within your business, providing each user with only the capabilities that they specifically need, thus reducing monthly costs.

▶ Utilize Dependable Support

Whether you need to add or delete users, help with mailbox issues or anything else, Bleuwire™'s Office 365 remote support is available 24/7/365 by phone, live chat or email. So regardless of what you are facing, our support experts will be available to assist you anytime, anywhere.

▶ Work Anywhere, Anytime

With Bleuwire™ and Office 365, you can be productive no matter where you or your employees need to conduct business. Every level of Office 365 provides full browser-based access to your applications. Add to that the ability to access Office 365 from any tablet or smartphone, and you've got the perfect tool for staying in touch and in control around the clock.

▶ About Bleuwire™

At Bleuwire™, we don't think you should have to pay for services you don't need. That's why we offer a boutique approach to IT management so that you can select only the services that will benefit your company. The choice is yours.
