

Virtual Server Hosting

Virtual environments provide the scalability and affordability businesses need to stay competitive.

Trust Bleuwire™ To Host Your Virtual

Take advantage of all the benefits of virtual environments, without the burdens of maintaining and supporting them.

► Benefits

► Up-to-Date Technology

Bleuwire™ has invested in leading-edge equipment and technology for all of our hosted virtual services.

► Best Partners in the Business

Bleuwire™ brings together the best technology partners and providers to ensure you've got the strongest, most secure virtual infrastructure. We take responsibility for it all, meaning you have only one contact point for questions, support and to open and track issues.

► A Flexible Model

Your company pays only for what you need, and when you need it. If growth requires you to rapidly scale, Bleuwire™ can provision more virtual desktops quickly and simply.

- ✓ Accredited Managed Services Provider
- ✓ State-of-the-art Operations Center with Cutting Edge Technology
- ✓ 24x7x365 Remote Help Desk and On-site Support
- ✓ 24x7x365 Real-Time Network Monitoring
- ✓ Experienced, Certified Technicians and Engineers
- ✓ Dedicated Account Managers
- ✓ Predictable Monthly Cost, Scalable Level of Service
- ✓ Remote Resolution of Issues more than 90% of the Time
- ✓ Easy to Understand Graphical Reporting of Performance

► Experts Always on Hand

Having the right people to manage your virtual environment can be a major financial and management challenge. With Bleuwire™ Virtual Server Hosting, there's no need to take on employees for the additional activities. Furthermore, you'll know that whoever is assigned to the work is an expert, well-trained in the task at hand.

► About Bleuwire™

At Bleuwire™, we don't think you should have to pay for services you don't need. That's why we offer a boutique approach to IT management so that you can select only the services that will benefit your company. The choice is yours.
